

FLIGHT TEST

Use a sheet of paper to create your airplane.

· How did your airplane perform?

· What might you change for the next flight test?

Distance Flown:

FLIGHT TEST 6

Try adding folds to change the shape of your wing.

· How did your airplane perform?

· What might you change for the next flight test?

Distance Flown:

FLIGHT TEST

Add a paper clip to the body of your airplane.

· How did your airplane perform?

· What might you change for the next flight test?

Distance Flown:
